

“Thank you to all of the staff at Iowa River Hospice. Sandie the bath aid who did a superb job and nurse Karla who was very caring and compassionate as well as Chaplain Bob and social worker Randy. Also, Ellen who came to the house with me immediately and summoned the funeral home the morning of Royce’s passing.

Royce was ready to go to a better place, one with no pain and suffering. Thank you so much for your exquisite care and compassion of him as he found the faith and courage to exit this life and enter that eternal place.”

Thanks again,  
Appreciatively Leona
